

## Bamberg (Germany)

### Local bread and beer delivery

Small and medium-sized businesses are already feeling the effects of the coronavirus outbreak. Catering businesses possess well-stocked storage facilities, yet no more customers. Therefore, new delivery initiatives emerge. In Bamberg, the bakery “Zuckerbrot” teamed up with the German Beer Academy to supply local staple food: bread, cinnamon rolls and beer. The food parcels can be ordered online and are brought to brought to people's homes.

**Type of initiative:** Flattening of the epidemic curve and ensuring continuity of services
