

Rhodes (Greece)

The initiatives taken by Rhodes and the Medieval City of Rhodes during the COVID-19 crisis

1. Prevention and security

- Making sure that residents stay home and fully follow the government's instructions by communicating the measures through the local press, the internet with campaigns and by handing out flyers
- Local police patrol the city in a discreet way in order not to cause panic but to make sure that people understand the value of staying home at the moment
- Municipality of Rhodes, as a precaution disinfected all of its buildings, the main square areas and all public transport vehicles
- Municipality of Rhodes also disinfected the houses of the four (to date) COVID-19 cases all on the island

Type of initiative: Prevention and security

Contact

THE OWHC'S RESPONSE TO THE CORONAVIRUS PANDEMIC (COVID-19)

The Organization of World Heritage Cities (OWHC) wishes to support its member cities by gathering and sharing all the actions implemented by local and regional governments around the world.

To share your city's best practices, you can complete the [form](#) available on the OWHC website. All your initiatives will be published in the special section www.ovpm.org/covid-19.
