Digital World Heritage - Live events in corona times

The initiative of the World Heritage House Wismar proves once again how exciting World Heritage can be experienced these days.

They offered an exclusive concert by the Wismar street musician ÖXL on Friday, May 15th at 8:00 p.m. as an opener of the upcoming series of events, where the audience then has the opportunity this unique event via live stream as a so-called “watch party” via the social media channels of tourist information on Facebook (*@wismar.tourist*).

The actual venue should remain strictly secret. But we can reveal so much: it is a selected place with a direct reference to the UNESCO World Heritage Wismar!

Next Event is coming up for the World Heritage Day on Sunday, June 7th at 3:00 p.m.
